**We acknowledge that each home and family are unique. This is a standard deep clean checklist, but how we clean your home can and will be customized based on your specific needs. These specifications will be discussed during a walk through we will do with you in your home prior to the first clean.*

*** Each Deep clean takes 2-3 days. We will provide a more exact timeline at the time of the walk through so you can plan accordingly.*

**** Due to size or function, we may not be able to move and clean behind/under all furniture. We will discuss these exceptions with you as needed.*

Kitchen:

- Sanitize all surfaces
- Clean inside and outside of appliances
- Move appliances to clean under and behind
- Clean inside and outside of cabinets
- Empty & sanitize trash cans
- Sweep/vacuum and mop floors
- Wipe down baseboards
